

LANDA[®]
PRESSURE WASHERS

Since 1969

North America's **LARGEST** Manufacturer
of Industrial **PRESSURE WASHERS**

PE

Portable, Electric-Powered,
Cold Water Pressure Washer

- Up to 4.8 GPM, 3000 PSI
- Landa Pump with 7-Year Warranty
- Industrial Strength Baldor Motor
- Detergent Injection

◀ The **Belt Pulley System** with notched V-belts and cast iron pulleys reduce belt slippage and offer longer belt life with cooler operation.

■ Industrial-duty **Baldor Motors**, 2 to 10HP, with full service factor provide unsurpassed reliability.

■ Insulated, fatigue-free, spring-loaded **Trigger Gun** with stainless steel, insulated, easy-grip **Spray Wand** make for easy point-and-shoot cleaning action.

■ Helpful **Tri-Lingual Labels** with operating instructions in English, Spanish and French for added liability protection and operator convenience.

■ Many **Safety Features**, including a thermal pump protector to prevent the build up of excessive pressures or heat and a high-impact belt guard for operator protection.

■ Convenient **Hose/Gun Hanger** for carrying and accessing hose and gun.

■ Oil-bath, forged brass **Landa Pump** has a 7-year limited warranty on oil-end of pump, lifetime warranty on pump head.

■ Durable pressure-trapping **Unloader** diverts water flow when trigger gun is not in use.

■ 50 ft. of steel-wire braid **High Pressure Hose** rated for up to 5800 PSI and with 24-inch **Hose Guard** for burst protection and swivel **Crimp Fitting** for tangle-free handling of hose and trigger gun

All Models
Certified to the
UL-1776
SAFETY STANDARDS
OSHA Compliant

■ Two spring-loaded **Rubber Pad Feet** absorb vibration for long life and to keep the unit from "walking."

■ Four quick-couple **Nozzles** are made of hardened stainless steel and color-coded for easy selection of spray pattern: 0°, 15°, 25°, 40°

■ Rugged 10-gauge steel **Chassis** is protected with all-weather-resistant epoxy powder coat paint.

■ Easy-to-attach **detergent Injector** for easy application of soap

■ 1.25" Chrome-plated **Handles** on front and back for convenience in vehicle loading and unloading

■ Water resistant **Electrical Box** for added safety and easy servicing.

■ Two-ply, 13" tubed **Pneumatic Tires** make for easy maneuvering in any terrain (PE3-11021D uses 10" tires).

WHY CHOOSE LANDA'S PE

The PE is the beefiest unit of Landa's belt-drive, cold water pressure washer line offering nine models with cleaning power of up to 3000 PSI.

QUALITY: Only the highest quality components are used on the PE, including the Landa tri-plex high-pressure pump with 7-year warranty, industrial-duty Baldor motor with 2-year warranty, durable steel frame with welded seams, and stainless steel point-and-shoot wand for cleaning effectiveness. In addition to being certified to the rigid UL-1776 safety standards, the PE has a 24-inch hose guard for burst protection and tri-lingual operating instructions for owner liability assurance. Also, the PE is assembled in a factory certified to the internationally recognized ISO-9001 quality manufacturing standards.

CONVENIENCE: There are a number of features that make the PE especially popular with users who seek to reduce their cleaning time. For instance, there are Chrome-plated handles on both front and back for easy vehicle loading. The two leak-free, tubed pneumatic tires make for easy maneuvering in any terrain and there are two shock-absorbing spring-loaded rubber feet to keep the PE from "walking" while in operation.

PE Specifications

Part No.	GPM	PSI	Motor HP	Electrical	Amps	Pump RPM	L x W x H	SHIP WT.
