

**LANDA**<sup>®</sup>  
PRESSURE WASHERS

Since 1969

North America's **LARGEST** Manufacturer  
of Industrial **PRESSURE WASHERS**

# MHP

## Gasoline-Powered, Hot Water Pressure Washer with a Narrow Frame

- Up to 4.2 GPM, 3500 PSI
- Heavy-Duty Honda or Vanguard Engines
- Belt-Drive Pump with 5-Year Warranty
- Sch. 80 Heating Coil

■ **Optional, Swivel Hose Reel** with compact, easy-wind design for tangle-free handling of hose (hose reel bracket is standard).

■ 50 ft. of 3/8", wire braid Landa **Tuff-Skin Hose** rated for up to 4000 PSI and featuring a 24-inch **Hose Guard** for burst protection.

■ High-efficiency 12VDC **Beckett Burner** is mounted on the end for ease of servicing and adjustments.

■ Conveniently located **Control Panel** with burner on/off switch, monitor light and hour meter for maintenance monitoring.

■ **Swivel Crimp Fitting** for ease in attaching hose to trigger gun.

■ Rugged, 1/4-inch square tube **Narrow Frame** is only 25-inches in width to fit most doorways and is protected by an all-weather resistant epoxy powder coat finish.

■ **Metal Side Panels** are easy to remove for convenience in servicing.

■ Many **Safety Features**, including a rupture disk and thermal pump protector to prevent the build up of excessive pressures or heat.

Shown with optional hose reel and wheel kit

■ Extra-durable **Heating Coil** made of leak-free, cold-rolled, Schedule 80 steel pipe with five-year warranty.

■ Unique lift-out design allows for easy and quick **Coil Access** by removing six bolts.

■ Helpful **Tri-Lingual Labels** with operating instructions in English, Spanish and French for operator and owner liability protection.

▲ Rugged **High-Pressure Landa Pump**, with three ceramic plungers, forged brass head and five-year warranty, is connected to the engine by a belt-drive assembly that features cast-iron bushing **Pulleys** and two notched "V" cogged belts, which provide a cooler operation and longer life; also **Two-Bolt Adjustment** makes it easy to adjust the belt tension.

■ Industrial-duty **Gasoline-Powered Honda or Vanguard engine** with overhead valves and easy-access oil drain line; all have keyed **Electric Start**.

■ Durable polyurethane **Battery Box** with vibration isolators for a secure ride.

■ **Optional Wheel Kit** adds portability to the self-contained design.

■ **Four quick-couple Nozzles** are made of hardened stainless steel and are mounted for ready access.

■ Insulated, spring-loaded **Trigger Gun** with easy-to-attach **Detergent Injector** and insulated, dual-lance **Variable Pressure Wand** make it easy to switch between wash and rinse modes.

■ Two rust-free, 5 gal. **Fuel Tanks** are "see through" for monitoring fuel levels and with elevated fuel line to prevent debris from damaging the burner.

North America's **LARGEST** Manufacturer  
of Industrial **PRESSURE WASHERS**

# MHP

*Gasoline-Powered, Hot Water  
Pressure Washer with a Narrow Frame*

- Up to 4.2 GPM, 3500 PSI
- Heavy-Duty Honda or Vanguard Engines
- Belt-Drive Pump with 5-Year Warranty
- Sch. 80 Heating Coil

## WHY CHOOSE LANDA's MHP

The MHP is a self-contained, mini-skid, hot water pressure washer with an extra narrow frame for maneuvering through doorways.

**QUALITY:** While it is considered an economy model, it is still packed with LANDA quality, including reliable Honda or Vanguard engines all with electric start, top-of-the-line, belt-drive, tri-plunger Landa Pump with 5-year warranty, Schedule 80 heating coil made of 1/2-inch cold-rolled pipe, and extra-rugged steel frame protected by an epoxy powder coat finish. Moreover, the MHP is assembled in a LANDA factory that is certified to the internationally recognized ISO-9001:2000 standards for quality manufacturing.

**PORTABILITY:** The MHP is easily fitted with an optional wheel kit to make it portable for on-site cleaning. No electricity is needed. Simply provide water and it's ready to clean most anywhere outdoors. The two five-gallon gasoline and diesel tanks (*16 and 20 HP models only*) allow for hours of continuous cleaning. The MHP comes standard with the bracket needed to add an optional hose reel for tangle-free washing and additional high-pressure hose protection.

**SAFETY:** As with all LANDA pressure washers, the MHP comes certified to the rigid UL-1776 safety standards, including: 24-inch hose guard for burst protection; thermal pump protector and unloader for protection against build up of pressure or heat in pump bypass water; and rupture disk to vent any build up of excessive pressure in the heating coil.

### MHP Specifications

| Part No.    | GPM | PSI  | Engine   | HP | Start    | Pump RPM | BTU's   | L x W x H       | SHIP WT. |
|-------------|-----|------|----------|----|----------|----------|---------|-----------------|----------|
| MHP4-30324E | 3.5 | 3000 | Honda    | 11 | Electric | 1160     | 330,000 | 49" x 25" x 43" | 555 lbs. |
| MHP4-35324E | 3.8 | 3500 | Honda    | 13 | Electric | 1185     | 330,000 | 49" x 25" x 43" | 565 lbs. |
| MHP4-35224E | 3.8 | 3500 | Vanguard | 16 | Electric | 1185     | 330,000 | 49" x 25" x 43" | 575 lbs. |
| MHP5-35324E | 4.2 | 3500 | Honda    | 20 | Electric | 1185     | 330,000 | 49" x 25" x 43" | 605 lbs. |
